REQUEST FOR ACTION CHASKA CITY COUNCIL 11/13/2024

Subject: 2024 Municipal Election Canvass

Prepared By: Denise Beebe, Senior Clerk

Attached for your review is a resolution certifying the results of the November 5, 2024, Municipal Election.

Chaska's overall voter turnout was 88.85%, with individual polling places ranging from a low of 86.95% to a high of 90.91%, (see breakout.)

Election day was busy with 2112 more votes cast at the polls than in the 2020 presidential election. We experienced three temporary tabulator jams, which were resolved quickly. Polling places experienced a heavy morning and evening rush of voting activity, with steady traffic between 9 a.m. and 4 p.m. Apart from one complaint regarding lines, most voters were quite patient as they waited. Wards 1 & 2 were over by 1 ballot in the tabulator that required ballots being hand counted then rerun through the tabulator to correct totals. Our Election Judges, with some working until the early hours of Wednesday morning, did an outstanding job!
